### Municipal Accountability Program (MAP)

The Village of Mannville has received some positive news in the wake of their Municipal Accountability Program (MAP) review, which was conducted by Alberta Municipal Affairs in January, 2019.

The MAP review looks at various areas of legislative requirements that are mandatory under the Municipal Government Act. All municipalities under a population of 5,000 in the Province of Alberta are required to undergo the review at some point in a four-year cycle.

The Village was notified early in 2019 that they had been randomly selected to undergo the review during 2019.

The Village received correspondence from the Ministry of Municipal Affairs commending the Village for addressing all items in a timely manner and advising that the MAP review has been completed to the satisfaction of the Minister of Municipal Affairs.

Additionally, the Village was informed that they were the first municipality in Alberta undergoing the MAP review in 2019 to complete all the legislative benchmarks required by Ministry.

Well done, Village of Mannville!

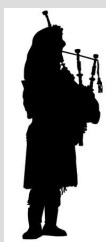

### **Highlights from the Regular Council meeting held on December 10, 2019**

**Blue Bag Door to Door  
Service**

**TUESDAY**

**January 7 & 21**

Please place your recyclables in a clear  
compostable **blue** bag  
on the front  
boulevard by 7:00 a.m. for  
Public Works Pick Up

**Remember To....**  
clean and dry recyclables and put  
in a **blue** recycle bag.

**\$ \$ Continuous Costly Issue \$ \$**

Some of the items being discovered in sewers are listed below. Public Works calls these items “unflushables.”  
**Even those items that claim to be flushable on the packaging usually aren’t.** Unflushables cause sewer and pump blockages resulting in backups that can be costly for homeowners and the Village.

The Village is asking residents to **“Trash it, don’t splash it.”**

**Items allowed to be flushed:**

- human waste (urine, feces, vomit)
- toilet paper

**Some items not allowed to be flushed (unflushables):**

- disposable diapers
- disposable wipes
- rags/paper towels
- feminine products (including tampons)
- hair
- condoms
- dental floss
- batteries
- needles
