Emergency Preparedness Week

This year, Emergency Preparedness Week is May 3-9, 2020.
Emergency Preparedness Week is a national awareness initiative that has taken place annually since 1996. It is a collaborative event undertaken by provincial and territorial emergency management organizations supporting activities at the local level, in concert with Public Safety Canada and partners. Emergency Preparedness Week encourages Canadians to take three simple steps to become better prepared to face a range of emergencies:

- Know the risks
- Make a plan
- Get an emergency kit

The Mayor, Council and Staff of the Village of Mannville wish to extend our sincere congratulations to the Mannville School 2020 Graduating Class.

It is unfortunate that traditional graduation celebrations have been cancelled due to current events. We do, however, want to assure the graduating students that the community does recognize and applaud the hard work and dedication that you have given to your studies. You should all be immensely proud of such an outstanding accomplishment.

Well done Class of 2020!
Mayor Rex Smith

Congratulations!!

Temporarily Suspended

Blue Bag Door to Door Service

Due to Covid-19 the Village's recycling contractor suspended their recycling pick up service as well as to avoid risk to our employees and reduce community spread of COVID-19, recycling service is suspended until further notice. Residents may choose to store their recyclables until it is safe to collect recyclables again; others may choose to place their recyclables in with their household waste. Either choice is okay. Please withhold placing any recycle bags on the curb and ensure that your bagged household waste fits within your roll out garbage bin.

Council has removed the \$5 recycling charge from monthly utility billing for the months of April, May, June and July.
