## \$\$ Continuous Costly Issue \$\$

Some of the items being discovered in sewers are listed below. Public Works calls these items "unflushables."

**Even those items that claim to be flushable on the packaging usually aren't.** Unflushables cause sewer and pump blockages resulting in backups that can be costly for homeowners and the Village.

The Village is asking residents to "**Trash it, don't splash it.**"

### Items allowed to be flushed:

- human waste (urine, feces, vomit)
- toilet paper

### Some items not allowed to be flushed (unflushables):

- disposable diapers
- disposable wipes
- rags/paper towels
- feminine products (including tampons)
- hair
- condoms
- dental floss
- batteries
- needles

## Monthly Property Tax Payments
