EMERGENCY PREPAREDNESS TIPS:

Do you know what to do when there is a severe weather warning?

Thunderstorms, heavy rain, hail, high winds, blowing snow, blizzards, and ice storms can develop quickly and threaten life and property. Severe storms occur frequently across Alberta and can be unpredictable.

Have an **Emergency Plan/Emergency Kit** in place is valuable when severe weather strikes. When individuals are prepared to the best of their ability, this allows first responders, such as police, fire, and ambulance, to focus on the emergency and provide assistance to those who need the help most.

GARBAGE COLLECTION

Roll-out bins **MUST** be accessible to the garbage truck and all garbage **MUST** be inside the bin.

Please be mindful when disposing of garbage. Although they are “garbage bins”, they’re meant for regular household garbage **ONLY**. Some items cannot go into the bins such as: large/long items (i.e., lumber, branches, logs, etc.), appliances, car parts, oil, concrete, dirt, propane bottles, etc. The garbage bin lid must be able to close.

DO NOT leave any garbage outside **OR** beside the bin! Items placed outside or beside the garbage bin will **NOT** be picked up.

Please ensure there are no objects or vehicles parked near, or in the way of the garbage bin.
