

# MANNVILLE

## MESSENGER

### Welcome 2026!

## 2026 Brings new adventures for Mannville!

Excitement is in the office as we welcome the New Year. Budget planning & annual event planning is underway.

We are pleased to welcome the new Club House Manager, Brandon Lyster at the Riverview Golf Course. We look forward to the upcoming season with a fresh face out there.

Administration is excited to work with Mannville 4-H for their fire pit donation and installation project, at the Gazebo.

Public Works has been clearing extreme amounts of snow within the Village and they are already ready for spring to arrive!

### Snow Season Is Here!

When it snows you have two choices, shovel or make snow angels. Please keep your sidewalks clear from ice & snow. Per Bylaw No. 2010-752, ice and snow on sidewalks adjacent to your property needs to be removed within 48 hours of snowfall. If your road has already been cleared, please do not move your snow on to the road. Please be respectful of Public Works while snow removal is underway and move your vehicles for them to clear the roadways.
